

Music City Barn Dance and Celebration

Once again, in addition to great music and great food, we are having an auction to benefit the Vanderbilt University Childrens's Hospital and the Nashville Ronald McDonald House. This year's auction items are so special, I had to tell you about them in advance!

- A Music City Tradition: **Spurs** handmade for this event by the incomparable **Mr. Billy Clapper**.
- New this year: **A Day for Two at Spring Training** in Phoenix with **Rick Sutcliffe** (Cy Young award winner, TV commentator and all around good guy—ask Craig Thompson, Phil Rapp, or Regan Lancaster) **AND Kix Brooks** (who I, of course, think, needs no introduction). Guaranteed fun and a once in a lifetime experience with the world's best tour guides.
- Also new this year: **A 2011 Breeding to Dual Rey**. That's right, you can do something wonderful for the children **and** get what you want from one of the absolute top stallions in our industry in one easy step. Can't thank Holmes Cutting Horses enough for this one.
- Another Music City Tradition: **A Handmade Quilt by award winning Donna Driscoll**. This year's is a king-size bed quilt and she has outdone herself!
- Another new one: **7 Days in Cabo San Lucas in a Deluxe 2 bedroom, 3 bath Condo at the La Estancia Resort**. \$7000 value. Sleeps up to 8, dates are negotiable. More details will be available before the auction, but sounds like you should be putting a syndicate together now! This is like the ultimate re-gift, Tennessee cutter Barry Tutor bought this at an auction, but he'd rather go to a cutting than lie on the beach. Maybe some of you out there are willing to miss one!
- **World Series, World Series, World Series!** Rick Sutcliffe comes through again with tickets for **the 2010 World Series**. You choose the night, he makes sure you have a good time. (See Spring Training above.)
- A guitar signed by all three members of **ZZ Top!**
- **A Week in Paradise at a Gorgeous 4500 square foot home in Destiny by the Sea** in Destin, Florida. See <http://www.vrbo.com/43638> for more info.

Watch the Music City Futurity Facebook site for more info (photos, etc.) and more items will be added as we get the details.
